01 Login

01 Login

- Open the following URL: <http://www.wildlifeauctions.co.za>
- In the Top Right-Hand Corner enter your username and password and select "**Signin**".

The screenshot shows the 'Wildlife Auctions' website interface. The top navigation bar includes links for 'My Profile', 'Home', 'About Us', 'Auction and Sales', 'Information', 'Services', 'Contact Us', and 'News'. A 'MY ACCOUNT' sidebar on the left offers 'Account Management' options like 'Business Profile' and 'Farm Details'. The main content area features a 'HOME - Business Profile' tab, a 'REAL-TIME AND TIMED AUCTION' section with a list of upcoming auctions, and a 'LIVE WEBCAST AUCTIONS' section. A 'BUSINESS PROFILE' form on the right contains fields for company type, name, registration number, VAT number, and postal address. The bottom navigation bar includes links for 'Home', 'About Us', 'Auction and Sales', 'Information', 'Services', 'Contact Us', and 'News'.

01 Login

- The page will open on your Business Profile page.
- Hold your mouse over **Auction and Sales**, route to **Live Webcast Tab** on the Right-Hand side of the 5 tabs. Select the relevant Auction.

AFRICAN WILDLIFE AUCTIONS

04 Live Auction

- Video Clip and Family Tree is only available if it has been loaded for the lot. Both will open in a new tab, so you can easily jump between the Second, Third and Bidding tab.
- As the auction proceeds and Lot 001 is either **Sold** or **Not Sold** the “**Closed Lots**” tab will accumulate auction data. Each lot will have an indication if it was Sold and at what value and if it was a Not Sold.
- **Information on Lot** is specific to the lot being auctioned, opening in a Second tab for easy reference.

04 Live Auction

- The messaging tab at the left bottom of the screen is a chat box to the Administrator.
- Questions about the lot on hand can be asked.

04 Live Auction

- The two screens can be switched. Users can choose if the streaming or photo should display at the top.
- By clicking Photo or Streaming the screen will change.

05 Live Bidding

- Live Bidding is extremely dependant on good and stable signal. It can happen that you double click submit and an system notification message will appear if you are the current highest bid.
- Selecting **OK** will continue your bid and therefore you will bid against yourself.
- By selecting **Cancel** you will revoke your second bid.

05 Live Bidding

- You have the option to **Bid Anonymously**. When the display is “**Bid NonAnonymous**” then you are bidding Anonymously.
- Although you will see your own name every other bidder will only see your allocated Bidder Number for the Auction.
- The Auctioneer and Administrator will be able to see your name, but both will have a warning that you are bidding Anonymously.
